DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Per the conversation with Applicant's Representative on Friday, August 13, 2010, the examiner has reviewed the Notice of Allowance mailed August 5, 2010 for errors in the listing of claims.

The examiner notes that the listing of claims is correct in the Issue Classification, the Index of Claims, and the Notice of Allowability Form (PTOL-37) but is incorrect in Paragraph 4 on Page 3 of the Office Action.

Paragraph 4 of the Office Action should read: "Claims 1-34 and 66-68 as presented in the response filed July 23, 2009 and in the Examiner's Amendment above are allowed over the prior art of record."

Should the applicant or his representatives require further clarification on the above issue, they are directed to contact the examiner at 571-270-5035.
